

# 1 DAY WORKSHOPS

PROFESSIONAL DEVELOPMENT

Offered in partnership with SUNY Center for Professional Development and Pacific Crest (2014-2015)

Professional development is an ongoing process that happens on your time. With this in mind, we are pleased to offer a variety of 1-day workshops to help busy professionals stay at the top of their game.

## Activity Design

learn strategies, techniques, and tips for creating engaging learning activities and materials

## Assessment

experience and validate new tools & techniques for performing high-quality assessment

## Course Design

learn to structure and write quality process-oriented materials for use in your own courses

## Critical Thinking

create critical thinking activities in the context of your own discipline for use in your classroom

## Designing Performance Measures

learn how to construct valid and useful performance measures for learning

## Developmental Math

learn how to help your students stop simply training and start learning how to learn mathematics

## Freshman Seminar

explore the topics and tools that make a freshman seminar a launchpad for academic success

## Math Remediation

tried and tested ways to help students fill in their "math gaps" so they can keep moving forward

## Mentoring

explore the role of a mentor and become familiar with mentoring principles and practices

## Orientation to Process Education

learn how to use assessment to turn trained individuals into lifelong learners & self-growers

## POGIL

explore the potential of using POGIL-based curricula and facilitation methods in your classroom

## Scholarship of Teaching & Learning

learn about research on teaching and learning and how to conduct action research

## Student Success

explore strategies for creating productive and motivating learning environments

## Using the Faculty Guidebook

learn how to use the FGB to support continuing professional and personal development

## Writing Learning Outcomes

discover how to write learning outcomes that turn course intentions into positive long-term student behaviors

**Members of the SUNY Center for Professional Development receive discounted registration fees and are able to use their CPD Points to pay for participation.**

To see if your campus is a member of the SUNY CPD, visit:

<http://www.suny.edu/sunytrainingcenter> (choose "Membership" from the menu).

## Scheduling Your 1-Day Workshop

The base price is \$1000 for 10 participants.

Contact Lisa Raposo (315) 214-2426, [lisa.raposo@suny.edu](mailto:lisa.raposo@suny.edu) for details.

Pacific Crest is an educational consultancy with 25 years experience in providing professional development workshops for more than 20,000 educators.
