

Volume 3 no.1

SUNY CPD Goes Virtual

Since our inception in 1989, the SUNY CPD has been located in Syracuse, NY, as founding campuses saw Syracuse as an easy driving distance to participate in training and community meetings.

During the pandemic shut down, CPD meeting facilities went unused and our programs and services transitioned to an online format. With our lease ending and in an effort to be fiscally responsible, we downsized our facilities in June of 2021 and began sharing space with SUNY Empire State College, located in the same building.

This month, we have moved to pilot being an all virtual organization and are committed to making it be as seamless a transition for our community. In this new era of work, we will share what we learn from our experience, both the opportunities and challenges.

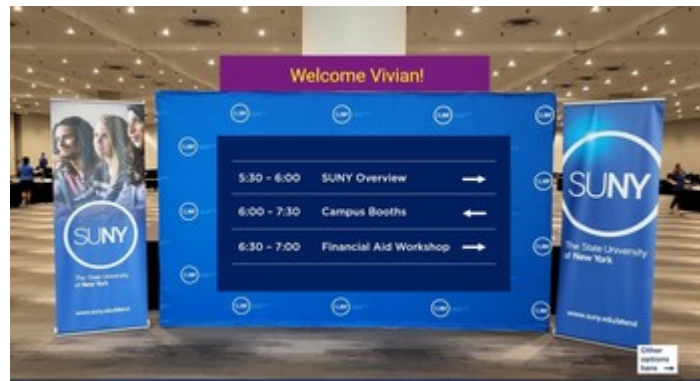

SUNY CPD will continue working with SUNY groups in hosting meetings and events in the Central New York region. The CPD has fostered good working relationships with other campuses, organizations, and hotels in the area and will work with those needing meeting space to identify and coordinate based upon group size and requirements.

As part of our core values, the SUNY CPD will continue to innovate, using technologies and strategies to connect to the

SUNY workforce across the state and SUNY communities with one another.

Thank you for your support.

- Lisa Raposo, *Director*

SUNY EXPO

SUNY CPD was proud to engage with SUNY's Office of Enrollment Management in the design and delivery of SUNY EXPO, held October 13th and 19th. Program Coordinator, Jennifer Snyder, worked with the team on offering an event that resembled a traditional SUNY college fair. Delivered using OnAir, the SUNY CPD virtual conference platform, students attended two live presentations *Which SUNY Are You?* and *Navigating the Financial Aid Process*. SUNY Expo had 1303 registrants, and students visited virtual college booths, chatted with campus admissions personnel, viewed college information videos and downloaded campus brochures and information.

MOST COURSES BEGIN JANUARY 3RD!

Diversity, Equity, and Inclusion in Teaching and Learning Certificate

Diversity, Equity, and Inclusion in Teaching and Learning Certificate
Designed to help faculty and others involved in teaching and learning in higher education develop new mindsets and strategies for more inclusive and equitable practices in classrooms and other learning environments.

Join SUNY Tech Talks

Please join us for SUNY Tech Talks, a collaboration between the SUNY Center for Professional Development and Microsoft for our SUNY technical communities. Held on the last Wednesday of each month, each talk has a different topic and will allow time for the attendees to ask questions of the presenters, share best practices and brainstorm solutions to SUNY's current and upcoming technical challenges.

Please view the Schedule page to see the topics for each month as well as a .ics file to add the event to your calendar. Each event is recorded and recording links will be posted within 48 business hours to the Schedule page for offline viewing.

To get on the mailing list for reminders, contact Kris Lynch, Technical Program Manager at kris.lynch@suny.edu

SUNY CPD Staff met in person at the offices of the Make-A-Wish Foundation of Central New York, located in East Syracuse. We connected and celebrated successes related to Fall programming and set goals for the upcoming calendar year. We were grateful to be together and to decorate the Make-A-Wish living room for the holidays, where wishes are granted and wish children get their own personal star on the wall.
