September 2023 Monthly Webinar

Project Management Community of Practice
September 28, 2023

What is the Project Management Community of Practice?

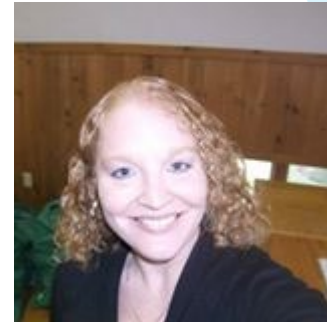

- This Community of Practice is for Project Management Professionals inside and outside of the SUNY community. We aim to create a space where project management professionals can share best practices, initiate discussions around project management concepts and learn more about project management and topics that affect project management.
- We look to foster discussion and sharing through the following:
 - Monthly webinars on PM topics and concepts
 - Discussion posts from moderators and members
 - Polls
 - Training opportunities for those in a PM centered position

September Monthly Webinar Speaker

For our September 2023 Monthly Webinar, two of our fellow SUNY professionals have agreed to present their [SUNY Technology Conference \(STC\) 2023 Presentation](#) again just for us. Shannon Radford ([Corning Community College](#)) and Tom Pearson ([ITEC](#)) will be joining us to present the following:

RACI : Not Just for Project Management

This presentation will show you how to use RACI not just for project management but also for duty separation within a small department or for outlining duties with campus-wide software.
