February 2024 Monthly Webinar

Project Management Community of Practice
February 22, 2024

What is the Project Management Community of Practice?

- This Community of Practice is for Project Management Professionals inside and outside of the SUNY community. We aim to create a space where project management professionals can share best practices, initiate discussions around project management concepts and learn more about project management and topics that affect project management.
- We look to foster discussion and sharing through the following:
 - Monthly webinars on PM topics and concepts
 - Discussion posts from moderators and members
 - Polls
 - Training opportunities for those in a PM centered position

Project Management CoP Moderators

February Monthly Webinar Speaker

For our February 2024 Monthly Webinar, Phil Vecchione from [ITEC](#) agreed to present their Wizard 2023 presentation again just for us! Phil will be joining us to present the following:

ITEC PMO 2.0

The ITEC Project Management Office has undergone an overhaul starting in August 2022. In this session, we will talk about the history of our PMO, our overhaul, our recent migration to TeamDynamix, and what lies ahead. We will look at the PMO's role and its philosophy. We will also talk about some of the new features we implemented: Project Intake, Project Slack, and Performance Metrics.
