CIO Leadership Academy Final Presentation

Eric Goodnough - SUNY Oswego

**SUNY Oswego Tomorrow Plan Impact #4 - Institution**

Our proven institutional effectiveness results in increased resources, flexibility, academic capacity, and institutional success.

Data Driven Decision Making

"There is increased need to manage and secure data, convert it into information, and use it for effective decision-making, problem solving and opportunities."
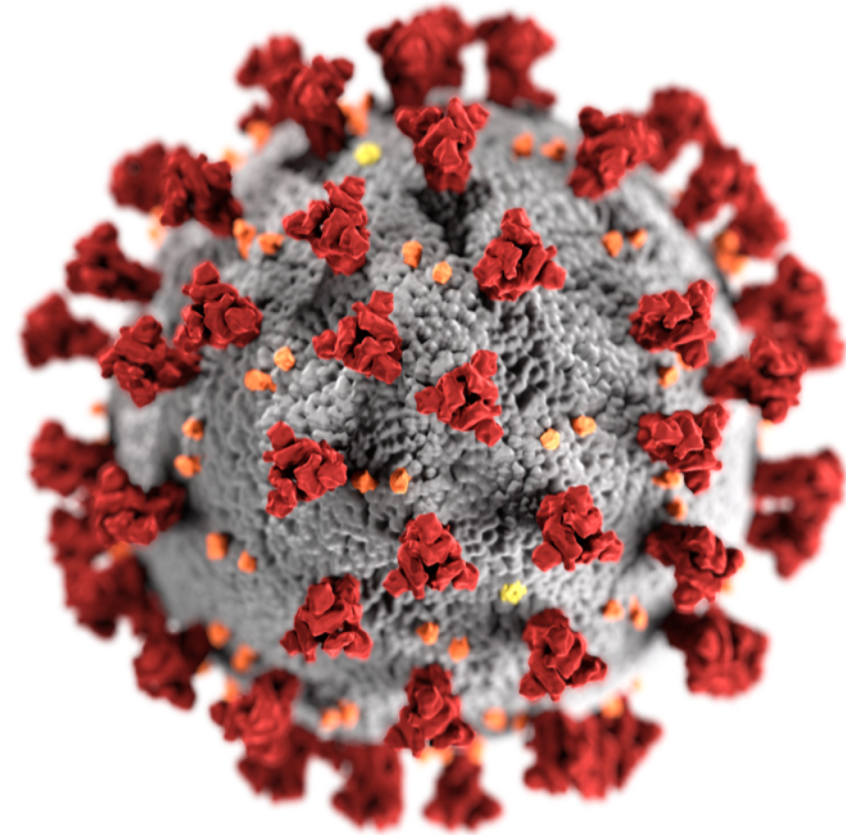

The Digital Campus - IT Strategic Plan

Slate - Admissions CRM
- Manage applications, test scores, and materials
- Easier communication and tracking across departments
- Configurable, user friendly student and staff interface
- Automated Banner and Banner Document Management integration

COVID-19 Response

- Telecommuting support
- Student card access
- Pass/Fail Options
- Student Credits/Refunds

Grade Change Request

- Replace paper forms
- Streamline the process
- Increase reliability
- Enable process completion
