# **July 2025 Monthly Webinar**

Project Management Community of Practice  
July 24, 2025

# What is the Project Management Community of Practice?

- This Community of Practice is for Project Management Professionals inside and outside of the SUNY community. We aim to create a space where project management professionals can share best practices, initiate discussions around project management concepts and learn more about project management and topics that affect project management.
- We look to foster discussion and sharing through the following:
  - Monthly webinars on PM topics and concepts
  - Discussion posts from moderators and members
  - Polls
  - Training opportunities for those in a PM centered position

# Project Management CoP Moderators

# July Monthly Webinar Speaker

For our July 2025 Monthly Webinar, we will be watching a video on Getting Started with Agile Project Management [from Project Management Academy](#)

Embark on a transformative journey into the world of Agile! Whether you're new to Agile or seeking a solid refresher, this concise 30-minute webinar will equip you with the core concepts and essential tools to get started. Learning objectives: - Discover Agile's philosophy, principles, and why it's more than just a set of practices. - Dive into the critical roles within an Agile team and the events that keep the momentum going. - Embracing the right tools and understanding core roles and ceremonies are essential for a successful Agile transformation.

To help facilitate the discussion, we ask you to take our quick 5 question survey **BEFORE** the presentation on Thursday so that we can present the findings as part of our discussion. Thank you!
