What is the Project Management Community of Practice?

- This Community of Practice is for Project Management Professionals inside and outside of the SUNY community. - We look to foster discussion and sharing through the following:
 - Monthly webinars on PM topics and concepts
 - Discussion posts from moderators and members
 - Polls
 - Training opportunities for those in a PM centered position

January Monthly Webinar

Join us in January for a collaborative book club-style discussion centered around David Allen's *The Art of Getting Things Done*. Since we won't be meeting in November or December due to the holidays, we're inviting our community to use this time to read the book and reflect on how its principles can enhance our project management practices.

How to prepare:

- Read *The Art of Getting Things Done* by David Allen over the break.
- Jot down any reflections, questions, or favorite concepts.
- Come ready to share and learn from others in our community.
- Whether you're new to the book or revisiting it, this is a great opportunity to grow together and start the new year with fresh perspectives.
