February 2026 Monthly Webinar

Project Management Community of Practice
February 26, 2026

What is the Project Management Community of Practice?

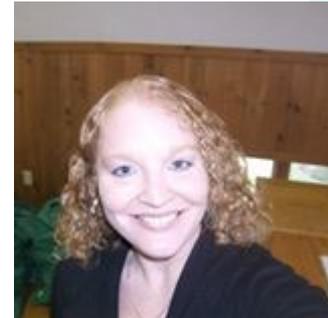

- This Community of Practice is for Project Management Professionals inside and outside of the SUNY community. We aim to create a space where project management professionals can share best practices, initiate discussions around project management concepts and learn more about project management and topics that affect project management.
- We look to foster discussion and sharing through the following:
 - Monthly webinars on PM topics and concepts
 - Discussion posts from moderators and members
 - Polls
 - Training opportunities for those in a PM centered position

February Monthly Webinar

AI Tools for Project Management: Top 10 Ways to Boost Results

This month we're diving into PMI's guidance on how AI can elevate project management, using 10 insights from a short 7-minute video. We are asking that you watch this video ahead of time so that we can discuss the specific tips and how we can or have implemented them into our daily work. These tips include:

- how AI can jump-start project planning by analyzing requirements and past data
- ways AI automates routine tasks—like scheduling, reporting, and meeting summaries—to free up your time for strategy.
- how AI improves communication and knowledge sharing, ensuring teams stay aligned and informed.
