

**Lisa Kahle**  
**Associate Vice President and Chief Information Officer Emerita**  
**SUNY Cortland (retired)**

Lisa Kahle most recently served as the Associate Vice President and Chief Information Officer for Information Resources at SUNY Cortland. Information Resources consists of Campus Technology Services, Information Systems and Security, the Library, and Networking and Telecommunications Department. Lisa worked closely with her staff to provide strategic and operational services in information technology and library services in support of the college mission. Lisa reported to the Provost and was a member of the Provost's Cabinet and the President's Advisory Council. She was a member of the SICAS Executive Board and active member of the SUNY CIO Sector group. Lisa served in progressive IT leadership roles throughout her career. Starting at Cornell University in a variety of roles beginning as a programmer to serving as an Assistant Director of Technology Training and Documentation Services before coming to SUNY Cortland as the Director of Campus Technology Services.

Lisa is a graduate of SUNY Morrisville, Cornell University and holds a Master's in Library and Information Services: School Media from Syracuse University. Lisa is certified to administer the Myers-Briggs Type Indicator Assessment and has conducted many workshops to a variety of groups internal and external to SUNY. Since 2013, Lisa has served as the co-facilitator at SUNY Cortland for the **Leading with Impact: Your Ripple Effect**, a program designed to enhance an individual's impact and leverage the talent of future and current campus leaders. In her free time, Lisa umpires and coaches (horse) polo at Cornell University and spends time on the soccer sidelines. She lives with her husband and has 4 children, 3 dogs and 2 cats.
